School Holidays - School closes on Friday 24th October and we re-open on Wednesday 5th November.

Head Lice - We have had a few cases of head lice, could you please check your child's hair and treat if necessary, head lice prefer clean hair, so infection is absolutely no reflection on a family's standard of hygiene, if head lice are found please remember to treat the whole family. If live head lice are found on a child at school it is school policy that we contact the parents and ask them to come and collect their child from school so that they can be treated as soon as possible.
